

I Understand as a Greenwood Athletic Club Member and/or a Fob Holder (All Members must sign before officially joining)

___ I understand **only** those living in my household can be on my membership.

___ I understand when I enter the gym, I will either sign in on the sign in sheet, or with my Fob. I understand the front desk staff will ask me to sign in if I do not. (And I will sign in with my Fob after hours).

___ **I understand if I want to cancel my membership before my 1 year contract ends there will be a \$75 cancellation fee.**

___ I understand if I need to cancel my membership, I will notify the front desk staff at least **1-2 weeks** before my draft comes out (Via phone call and not through social media), or else I will still be charged the draft, and my cancellation request will go into effect the following draft. **We need plenty of time to work on this process and any less than a week could possibly not give us the time we need and/or if we are out of the office.**

___ I understand if I bring a guest under 18 that wants a \$10 day pass, that **THEIR** legal guardian must be present to sign for them.

___ I understand I can **ONLY** use my Fob for myself; I cannot share Fobs with anyone else on my membership. Each member must have their own Fob. This is your way of signing in & **our way of keeping track of members vs. nonmembers sneaking in after hours.**

___ I understand I will **NOT** let non-members or guests in with my Fob after hours. (This will result in Suspension of Fob) Security Cameras are checked daily.

___ I understand that no one under 18 is allowed in the Gym after hours. (Ages 13-17 ARE allowed **ONLY** if their legal guardian signs a different form for them to come and they must have their **own** Fob as well).

___ I understand if anyone on my membership damages any equipment or property, I shall be held accountable for replacing or fixing what has been damaged.

___ I understand if am sending my children to the childcare room during babysitting hours, I **MUST** be on a family membership.

___ I understand that **NO ONE** under the age of 10 is allowed to use gym equipment and must remain in the childcare room during open hours **only**.

___ I understand there is an additional \$3 charge for debit or credit card on auto draft, this fee is waived with a bank account on auto.

___ I understand that if I choose to pay Option #2 (6 or 12 months in advance) that it is non-refundable.

These are the MOST important rules in our facility. Please make sure you understand each of these before joining. This must be signed/initialed by the main account holder, and each person on account with a Fob. Thank you! :) (Staff: Scan Driver's License on the back of this form, for Fob use of anyone 16+)
